## Lily's daily routines

As a student, I get up at 6 o'clock in the morning. If not, my mom will wake me up—though not very friendly. I brush my teeth, wash my face, and have breakfast for about 30 minutes. After that, I walk my dog, Fatty, in the park near my home. I get on the school bus at 7:15 am and go to school, fighting for my bright future. I have four classes in the morning and four or five classes in the afternoon. I like all my classes except music. Well, I really love music, but not the class. My classmates hate me when they hear me sing. I get home at about 6 pm. My family and I have dinner at 6:30 in the evening. I take a shower before I do my lessons. I usually study from 7:30 pm to 10:30 pm. I have a lot of tests at school and plenty of homework every day, so I am really a busy bee. If I don't jump into bed before 11:00 pm, you will hear my mom's angry shouting again.
